

UC Irvine: Mathematical, Computational, and Systems Biology Graduate Program  
Winter 2020 - Laboratory Rotation Selection

Student Name: \_\_\_\_\_

Experimental OR  Computational # of Units: \_\_\_\_\_

Title of the project: \_\_\_\_\_

**Project Description:** *(Briefly describe the background to the proposed research and the development of the hypothesis of your rotation project)*

**Faculty Expectations during this rotation:**

Rotation Faculty Member: \_\_\_\_\_  
Print Name  
\_\_\_\_\_  
Signature Date \_\_\_\_\_

MCSB Advisor: \_\_\_\_\_  
Print Name  
\_\_\_\_\_  
Signature Date \_\_\_\_\_

Student: \_\_\_\_\_  
Signature Date \_\_\_\_\_

Please return this sheet to Tina Rimal ([tina.rimal@uci.edu](mailto:tina.rimal@uci.edu)) by **Friday, January 20, 2020**

*In addition, you are expected to provide a final report of your project, along with your 'End of Quarter' Rotation Form, by **Friday, March 20, 2020**. Any additional reports required by your faculty rotation sponsor should also be attached.*
